Mariposa Equestrian Bridge Reopens
Repairs completed well ahead of schedule

BURBANK, Calif. (August 1, 2012) – The Mariposa Equestrian Bridge has reopened following the completion of necessary repairs and general maintenance that was expected to take at least another week.

The bridge near S. Mariposa Street and Valleyheart Drive was closed to horse and pedestrian traffic beginning Monday, July 30, 2012 and was expected to remain closed through Friday, August 10, 2012.

However, the combined efforts of crews with the Burbank Public Works Department and Burbank Park, Recreation and Community Services Department led to the completion of the project on Wednesday morning, August 1, 2012.
